Weekly Update and Member Resources

Week of August 31

Hello CHN family! We wanted to make you aware of some resources that were sent our way this week as well as celebrate the work of one of our CHN family members, Justin Coby. Please continue to reach out and stay connected with us. Have a great week!

CHN Spotlight:

Justin Coby honored as a top 10 pharmacist under 40!

We would like to give a HUGE congratulations to Justin Coby for receiving an award as one of the top 10 pharmacists under 40 in the State of Ohio! We are so proud to call him not only a member of the CHN family, but also a member of our board.

The Ohio Pharmacists Association notes that this award is defined by outstanding pharmacists who have exemplified leadership, excellence, and vision in their practice.

Thank you Justin for all the hard work and time you have dedicated to your community. The impact you've made is invaluable. Please reach out to Justin to congratulate him, and keep us updated similar news from your clinic!

Member Resources:

***FREE* Albuterol Sulfate**

Ken Quick from The Community Health Clinic has reached out to us saying he has 13 packages of 25 count albuterol sulfate inhalation 2.5mg/3mL. The packages expire in **October 2020**, and one 60 count box of the same medication expires in **November 2020**.

If you are interested, please contact Ken Quick directly at his cell phone (740)-877-0364.

***FREE* Medical Supplies from Vineyard**

Vineyard Church of Delaware County Free Medical Clinic has reached out to us with some free medical supplies that they no longer need.

Supplies available include:

A rolling locking medical cart in excellent condition

An older Siemens A1C machine (and supplies to go with it)

A box of pill vials

If interested, please contact Sandra Fisher directly at sandie2360@gmail.com or by phone at (567)-231-9113.

***FREE* PPE Care-package from iRemedy**

An organization called iRemedy has reached out to us with an opportunity for free PPE care-packages to be sent out to each clinic. Their "Project Restart" is aimed at providing medical supplies to clinics in need. Along with the free care-package, you can also purchase medical supplies at a discounted rate on their website.

Care-packages in the past have contained: face shields, pocket hand sanitizers, medical respirators, and 3 ply surgical masks. **But package contents could vary.**

If you are interested, **[Click here](#)** to access the necessary form.

Further questions can be addressed by emailing iRemedy directly at Nadjhla@iremedy.com.

Additional \$300/Week Approved for Unemployed Ohioans Who Qualify

Governor DeWine announced recently that the federal government approved Ohio's application to offer an extra \$300 weekly unemployment benefit through the Federal Emergency Management Agency (FEMA) Lost Wages Assistance Program.

Checks will begin rolling out to those who qualify by mid-September, and will be **retroactive through August 1st**.

However, FEMA is only distributing enough money to states to cover 3-5 weeks of checks—Congress will have to strike a deal for payments of any amount to continue. As of now, Congress is on recess with no plans to return to work until September 8th.

Tomosynthesis is coming to the Columbus Cancer Clinic!

This September, the Columbus Cancer Clinic will begin offering 3-D mammograms in addition to their other high-quality breast services:

- Screening and Diagnostic Mammograms
- Breast Ultrasounds
- Breast Biopsies

Most major insurances are accepted and multiple funding options are available for those in need. No one is turned away based on their ability to pay. [Click here for more info.](#)

Additional Cancer Screenings: Cervical cancer (PAP tests), colorectal cancer (FIT tests) and prostate cancer (PSA tests)

NEW ODH is [hiring](#) Contact Tracers and Contact Tracer Supervisors!

ODH has just posted [brand new positions](#) for both Contact Tracers and Contact Tracer Supervisors. If you or someone you know is interested, **click on the buttons below** to access either application. ODH says they plan to keep the applications open to ensure continuous influx of applications, so there is [no deadline to apply at the moment](#).

Registration is still open for September 18th & 24th Virtual AMSR Training Opportunities

AMSR is a 1-day training designed for all behavioral health professionals working with youth (10-24) to learn how to recognize, assess, and treat suicidality in patients. Professionals will gain a deeper understanding of suicide ideation and its treatment. **6.5 CEUs are provided to eligible professions.**

AMSR training will focus on how to:

- Approach work with suicidal patients
- Understand suicide
- Get important information from patients regarding suicide
- Form accurate judgement on client well-being
- Safely plan and respond to suicide related-behaviors.

Charitable Healthcare and COVID-19 Bi-Weekly Discussion Group:

The Charitable Healthcare Network is hosting a **bi-weekly** virtual discussion group for Ohio's charitable healthcare organizations. Here we will check-in with one another as well as share resources and strategies on our approach to handling the COVID-19 pandemic. Meetings will be held Wednesdays from 11am-12pm. Download the minutes/ recording from this week's meeting below or register to join live!

September 9, 2020 at 11 am

On September 9th, staff from the Alzheimer's Association of Central Ohio will present on risk factors and early signs of Alzheimer's, as well as the medical and social factors that put patients at risk for developing dementia. The Alzheimer's Association offers free trainings, educational seminars, and support groups for patients with Alzheimer's as well as their caregivers and healthcare providers. This presentation will also include an overview of the free support and educational opportunities available across the state.
