CHN Weekly Update

Week of March 1st, 2021

To start of the month of March, we would like to wish everyone a **Happy Women's History Month!** We are so lucky to be led by some amazing women here at Charitable Healthcare Network. Throughout the month we will be highlighting "The Women of CHN". To all the women at CHN that keep our organization running, you are **truly appreciated**. We could not do the things we do without you!

To highlight a woman from your organization, please [send us](#) a photo and a quick note on how they empower your organization. **We would love to feature them in our update as well as on our social media!**
